Book early, Bring friends!

We invite you to join us for the **2004 Day of Deeper Understanding**, to be held at the Community of St. John Baptist on Saturday, **September 25th**. We will gather at 8:30 am, and plan to finish by 3:30 pm. Although still in the planning phase, the day will offer a series of workshops designed to provide you with a variety of exercises to help you make time to be with God, to develop your spirituality and to nourish you for the work God has planned for you.

We hope to be able to walk the labyrinth in the garden of the Community, will be making Anglican prayer beads (and learning to pray with them), will explore centering prayer, join in worship and song, and experience other treats yet to be revealed. The day will be uplifting and refreshing: anyone who has visited the Community of St. John Baptist will know it is the perfect location for such an event – those of you who have yet to visit the Community will be in for a treat!

In order to better plan this event, we ask that you register early – the registration form is available on line, and copies will also be available at the Summer Picnic. The fee for the day is \$20 – \$10 of which is the facility charge, \$10 to cover expenses. Bring your brown bag lunch and beverages will be available. Some scholarship money is available. We look forward to seeing you there and sharing this day with you.
