

Celebrating LIFE as Ministry

Tools for All God's People

A Conference on Lay Ministry

Presented by the Commission on the Laity, Episcopal Diocese of Newark

Keynote Speaker: The Honorable Byron Rushing

Words like “discernment,” “call” and “ministry” do not lend themselves to simple definitions because they involve figuring out God’s will. For many in and beyond the Church, the word “ministry” still connotes that which is done by a clergy person. In fact, ALL Christians serve in Christ’s name. There are many ways in which we can minister. The purpose of the workshops on November 6 is to give people an opportunity to explore the many ways we can be called into ministry, with ourselves, with one another and with God.
